Education Week Launched . . .

Impressive Display by Students despite Wintry Conditions

Photo by Roper Studios, 314-5360

Intently watching the display of folk-dancing (above) at Sunday's Youth Display on Grant Reserve for the launching of Education Week in Altona are members of the official party (from left to right): Mr. T. J. Dunstone (District Inspector of Schools), Cr. A. W. Knight, MLC, the Minister of Education Mr. L. H. S. Thompson, Shire President, Cr. S. G. McIntosh, Cr. J. J. Ginfier, MLA, and Shire Secretary Mr. J. W. Waters.

Altona's progressive attitude to education was referred to by the Minister of Education, Mr. L. H. S. Thompson, MLC, when he launched Education Week in Altona at a Youth Display on Grant Reserve last Sunday afternoon.

Though marred by rain and cold wind, the opening of Education Week was a success.

The march of young people on to Grant Reserve was impressive as also were displays of folk-dancing, precision marching and physical education activity. Mr. M. Kidd was again an efficient marshal.

As an introduction to the week musical festivals were held at Mount St. Joseph's School in Maidstone-st., Altona West, on Thursday and Friday of last week. These were delightfully presented before large audiences.

On the Thursday night the shire president, Cr. S. G. McIntosh, expressed his appreciation of the work of the older pupils.

Cr. J. J. Ginfier, MLA, spoke at the festival on Friday and presented Mr. T. G. Dunstone, District Inspector of Schools.

When welcoming Mr. Thompson to the display on Grant Reserve, Cr. McIntosh said: "I must particularly thank the organising committee which was comprised of the heads of all schools with joint chairmen of Cr. Ginfier, the holder of the council's portfolio for Junior Council Activities and Education Matters, and Mr. Ron Seamer, the principal of Altona North Technical School. Thanks are due also to Mr. Tom Dunstone for his attendance at such meetings and his contribution to Education Week activities, and whilst on that subject, once again, we must express our thanks to Mr. Ted Message, the former District Inspector of Schools, who last year introduced this idea into Altona."

"Now, I wish to officially welcome to the Shire of Altona the Minister of Education, the Honorable Lindsay H. S. Thompson. Mr. Thompson is accompanied by Mrs. Thompson, and whilst you have been in the shire before, we are indeed honoured to have you at this function today," said Cr. McIntosh.

Mr. Thompson referred to the theme for Education Week throughout Victoria: "Changing Education in a Changing World."

Change is inevitable and education must keep pace, said Mr. Thompson. Inspiration is necessary and "better a dedicated teacher in a tent than inferior teachers in the Taj Mahal," he remarked.

Mr. Thompson spoke highly of Altona's attitude to education. He said: "If not the most progressive, it is at least in the leading group."

At a social gathering later Cr. McIntosh after again expressing his appreciation to Mr. Thompson presented Mrs. Thompson with a spray of flowers.

CAREERS NIGHT

On Monday night, as part of Education Week, Altona North Technical School held Careers Night. Attended by nearly 600 students and parents, it was a most informative experience.

Many local firms participated. In addition the Education Department and semi-government agencies co-operated. Guidance and assistance was also given by members of the Altona Apex, Lions and Rotary Clubs.

Many who attended commented on the high standard of the displays. It was a worthwhile effort that is becoming a regular event at this time each year.

LAVERTON SUBDIVISION DEVELOPMENT BEING CONSIDERED

Private street construction could start in the Altona area of the old Laverton subdivision within 12 months.

Initial plans for such development are being considered.

About 440 building blocks will be immediately affected, but this could be the first stage of an area which in Altona alone could provide for 8000 people.

Proposals for development of the first stage were adopted by the Altona Shire Council at their last meeting and are being forwarded to the Board of Works. The proposals suggested by Cr. J. J. Ginfier, MLA, could be summarised as—

- Application to the Board of Works to develop stage one of the Laverton area (an area immediately east of Merton-st. and south of the Laverton Football Ground);
- Ask the Board if they are prepared to provide water reticulation and to waive a restriction which requires 40% development before provision of water;
- Ask the Board if they will assist in town planning and suggestions regarding the right-of-ways and street widths. The Board is also being asked that additional work is required to keep Altona's street instruction force employed; at Altona is close to saturation

point for housing; that the only other areas available for residential development are Truganina Reserve and Nolla Estate; and that the council cannot see its way to re-zoning any commercial land for residential purposes.

DISCUSSIONS WITH BOARD
At the Altona Shire Council meeting last week Cr. J. J. Ginfier revealed that following discussions at council committee meetings concerning the Laverton subdivision he had contacted the Board of Works regarding development of the area.

Last week Cr. Ginfier, with the shire secretary, Mr. J. W. Waters, and shire engineer, Mr. R. C. Simmons, discussed with the Board of Works engineers what might be done with the area.

Arising from these discussions Cr. Ginfier said he would make several suggestions to council.

OBITUARY

Mr. R. A. McGILL

Mr. R. A. McGill, head master of Altona North High School, died suddenly at his home in Grace-st., Laverton, on August 15 at the age of 52 years.

The loss of this outstanding leader will be deeply felt, not only by his own school, but also by colleagues in other areas. A wide circle of friends in Altona and Laverton will mourn his passing.

After leaving teachers' training college in 1934, Mr. McGill qualified for Bachelor of Arts and Bachelor of Education by part-time study.

He taught in primary schools in Euroa and Colac and then in high schools at Williamstown, Seymour,

Hampton and Werribee.

Mr. McGill was head master of Altona North High School from its inception in 1960. The school began in the scout hall and rooms at Altona High before moving into its own building later in the year.

Much of the standing of the school in Millers-rd. can be attributed to Mr. McGill.

In 1960 Mr. McGill was in the unique position of being head master of two high schools at the same time. Both were new and

starting off in temporary premises.

The other school, Braybrook High, opened with classes in a building at the Ordnance Factory, Maribyrnong.

Mr. McGill was a member of Altona Rotary. He was also an active member of Masseys Holden Car Club, of which he was president for two years (1960-61).

Mr. McGill is survived by his wife and seven children.

EDITORIAL

COUNCIL ELECTIONS

The continued interest in council elections has again resulted in six nominations. This contrasts with the previous triennial elections in 1964 when the three candidates were unopposed.

With Cr. W. G. Cresser, the only councillor standing for re-election, it follows that there will be at least two new faces in the incoming council.

It is for the people of Altona to see that the council is made stronger by these changes.

The matters confronting Altona in the term of these new councillors will require the utmost from a council of all the talents.

There are the questions of finance, the bypassed rail extension, the new bridge road, the development of Truganina Reserve, the effective opening of Laverton areas, the need for industry, sewerage and the effluent, air pollution and educational needs—these are all problems which are capable of solution.

It is for the electors of Altona to decide which of the candidates are most worthy of selection.

Each of the candidates by their nomination have shown their interest in Altona and their readiness to serve.

It is for you, the elector, to be moved solely by the same motive in casting your vote.

LAVERTON SUBDIVISION

Continued from Page 1

Because of the contour of the land and with drainage in mind the council envisaged a three stage development, said Cr. Ginfier.

However, after conferring with the Board's engineers he suggested the engineering and drainage-wise it should be a four stage development.

The first stage bounded by North-ave., Merton-st., Alma-ave. and Victoria-st. falls into a natural catchment with one outlet to a creek and into the swamp.

It would not require the provision of another water main as the present Laverton main would be adequate to serve this area, said Cr. Ginfier.

WATER PROBLEMS

But, Cr. Ginfier pointed out that it is Board of Works policy not to install water reticulation until there is at least 40% development of an area. Building permits are not issued until water is available.

However, Cr. Ginfier said a principle in this problem of providing water prior to development has already been established by the council with the Board.

In the past the council has had the Board's proviso that 40% of the area must be developed waived.

It was waived on condition that the council guaranteed the Board a 6% return on its expenditure.

This only costs the council a small amount of money said Cr. Ginfier.

The full 6% is not required from the council because the Board reduces this amount by the revenue already being recovered from water rates.

SMALL OUTLAY

Development of stage one will take a smaller capital outlay than the others said Cr. Ginfier.

He hopes for a small capital outlay the council will get water reticulation for stage one.

Cr. Ginfier suggested that if the council obtains sufficient water and develops the area for housing he believes the Board may give some consideration to provision of water mains to serve the rest of the subdivision.

COUNCIL SHORT OF STAFF

With regard to construction of the private streets in stage one Cr. Ginfier said that in eight months time the shire engineer will be looking for work—he is running out of private streets.

If there is no further work, there will be retrenchment of staff and disposal of equipment, warned Cr. Ginfier.

He said that work on stage one of the Laverton estate would not occupy a full year but perhaps could be subsidised by

ART DISPLAY AT BANK

Education Week in being celebrated throughout Victoria this week.

Throughout Victoria, schools are having displays and demonstrations for visitors during Education Week.

Mr. K. G. Wilson, manager of the Commonwealth Bank, said today that his branch was co-operating with Altona schools by mounting an art display in the banking chambers.

Referring to Education Week generally, Mr. Wilson said an awareness of the role of education in the community was essential to the future sound development of our nation.

"The contribution of parent organisations over recent years has helped towards a wider public interest in education and public support for these activities can only benefit the community," he added.

LAVERTON SCHOOL TEACHERS INJURED

The head master and two teachers from Armstrong-st. Primary School, Laverton, were injured when their car ran off the road and crashed into a tree on the way home to Geelong last Monday.

The accident occurred on the Princes Highway, approximately six miles this side of Geelong.

Mr. Robert Spurr, the head master, has a broken leg, broken arm and shock. Mr. Ian Woodland escaped with slight injuries and Mr. Ian Giles, the deputy head, suffered bad cuts and bruising.

All three were admitted to Geelong Hospital and Mr. Woodland was later discharged.

government roads or work on the Truganina Reserve.

FUTURE PROSPECTS

The Board of Works did not have sufficient finance to go on with previous proposals to plan the old subdivision said Cr. Ginfier.

Individual lot owners were contacted by the council and asked if they were prepared to sell or consolidate their lots to enable re-planning of the subdivision which is below today's standard.

The majority of lots have 40-ft. frontages whereas present minimum frontage is 50ft.

A small percentage of owners failed to reply, but a large number were prepared to buy their neighbour's lot but very few wished to sell.

The council tried and did all the work on the proposed Truganina Reserve housing development will not be available in time as enabling legislation has not as yet come before parliament.

Legal and financial aspects of this scheme will not be tied up within the next eight months, commented Cr. Ginfier.

He added that work on stage one of the Laverton estate would not occupy a full year but perhaps could be subsidised by

NEW PRINCIPAL FOR TECH.

Mr. W. R. Seamer, principal of Altona North Technical School since its establishment in 1959 is to take up a new appointment at Caulfield.

Mr. J. A. Douglas, vice-principal of Footscray Technical College, will be principal of the Altona North Tech. as from the commencement of 1968.

In order to facilitate maximum development of tertiary technical education under the Victorian Institute of Colleges, it is anticipated that regional technical colleges (such as at Footscray) will eventually be divided into at least two separate establishments, each with its own principal and administrative staff. As a first step in this progressive plan the secondary section of the present Caulfield Technical College will next year become the Caulfield Secondary Technical School and Mr. W. R. Seamer has been appointed principal.

Mr. A. Lambert will remain principal of the Caulfield Technical College.

Altona Ladies Bowling Club

The indoor bowls tournament held at the clubhouse was once again most successful and the hot luncheon was enjoyed by all.

The winning rink was J. Milliken, E. Bever and B. Dart. The cake donated by J. Milliken was won by B. Dart. Door prizes donated by E. Eyre and C. Cox were won by Mrs. Mackellar and Mrs. Gischus.

Thanks to president Mrs. Isla Probert for another very enjoyable time at her home and a similar afternoon is to be held at Mrs. Irene O'Donnell's at 29 Central-ave., Seaholme, commencing at 1 p.m. on Wednesday, August 23.

Indoor bowls will finish soon the social committee are arranging for tea to be served after bowls. Watch the notice board for the date.

A speedy recovery to Ray Chesley, who has been ill and in hospital, and the club trusts Joan Milliken is recovering from her ankle injury.

Don't forget, ladies, cleaning day is Tuesday, August 22, at 1 p.m.

Congratulations to secretary Esme and Harold Martin on the arrival of their first grand daughter.

Laverton Election Candidates

Mrs. V. DEVEREAUX

Mrs. Viola Devereaux, of Goble-st., Laverton, is standing for the East Riding, (Laverton) in the Werribee Shire Council elections.

Mrs. Devereaux, who is married with a grown-up family, is well known in all circles in Laverton.

She has interested herself in most organisations in Laverton and is an active social worker.

Her residence and activities in Laverton has made her well aware of all problems of this area of Werribee.

She is particularly advocating better facilities for young people.

Mr. W. FEATONBY

Mr. W. Featonby, of Grace-st., Laverton, who has retired from the post of deputy chief mechanical engineer of the Railways Department, is standing as an independent candidate for the East Riding.

His long residence in the area has given him knowledge of the growing needs of Laverton.

At one time president of the Progress Association, he has demonstrated his interest in local affairs.

Exchange Student Wanted

Students aged between 15 and 17 years are invited to apply for selection as Rotary Club Exchange Student for 1968.

Rotary has previously sponsored three students who went to the USA, Japan and the Philippines respectively.

Possible locations for this vacancy are USA, Japan and Rhodesia.

Parents must pay fares, clothing and incidental expenses. All other expenses will be borne by the host clubs.

Closing date for applications is early next week and should be sent through the school principal or Mr. Mann, phone 314-6374.

A.W.M.C. SOCIAL ACTIVITIES

RANCH NIGHT DANCE

The weekly Altona Working Men's Club dance will be held on Friday evening, August 18, this week and this is another ranch night with all the bright surprise items usually associated with club dances.

Come along and join in the fun.

TALENT QUEST

The talent quest last Friday was a really outstanding success with 11 different and first-class performances.

Adjudicator Peter Pearce had an exceedingly difficult job to decide on the winners to appear in the grand final on Friday, October 6, but did a splendid job to the satisfaction of the large and enthusiastic audience when he presented the following as winners—

1st: Miss Lynette Evans, of Civic-pde., Altona; 2nd: H. J. Smith, Victoria-st., North Williamstown; 3rd: Ukrainian Cossacks, Geelong; 4th: Pat Gillespie, South Yarra; 5th: The Outlanders Dance Band, North Clayton.

With the four winners from the first talent quest on July 14, plus the winners of the next one on Friday, September 8, all will then compete in the grand final on Friday, October 6, for a first prize valued at \$40 and second prize of \$20.

With the high standard witnessed on Friday night the next quest and the grand final are bound to be something you just cannot afford to miss in the field of entertainment.

CLUB AMATEUR NIGHT

This will be held on Friday, August 25, for an open invitation to all club members. Judging will be by popular applause and prizes to the value of \$5 for first, \$3 second and \$1 third will be awarded.

This will be the first in the Altona Working Men's Club series of monthly amateur nights on similar lines to the talent quests, culminating in a grand final at the end of November.

CLUB ANNUAL BALL

Tickets are now available for the first annual club ball and are priced at \$3 each including four course supper and dancing from 8 p.m. to 2 a.m. to Eddie Wardle's Band.

SEPTEMBER TALENT QUEST

The final monthly talent quest will be held on Friday, September 8. Once again the patrons are assured of a first-class performance by artists competing in these quests.

WHERE WAS THE COAL MINE?

"WHERE WAS THE COAL MINE IN ALTONA?"

"WHERE IS THE MONUMENT TO THE MINE?"

"Never heard of the coal mine let alone the monument" was the general reply from a number of Altona residents and the policeman on duty at the Altona police station who were asked these questions on a recent Sunday.

What started out as a mystery drive for 20 cars certainly turned into a real mystery—at appeared nobody had heard of the mine.

The drivers were members of the Ford Car Club of Victoria on a drive through Altona with the task of finding when the mine closed down and what material was used in construction of the monument.

Eventually one of the competitors found a golfer who knew it was "over there." From the Kooragang Golf Club he took the 1 1/2 hour search to locate the stone which is less than half a mile away.

Only three of the drivers found the missing monument—located in the north-east corner of the Harrington Square shopping centre.

However, all 20 found their way back to Circle Caravans in North Williamstown for the wind-up barbecue.

Winner of the mystery drive was an Altona North resident, Mr. George Phillips, of Ararat-st. He had never heard of the coal mine, but now definitely knows some of its history.

Parents must pay fares, clothing and incidental expenses. All other expenses will be borne by the host clubs.

Closing date for applications is early next week and should be sent through the school principal or Mr. Mann, phone 314-6374.

New members are always welcome and drivers of cars of other makes are admitted as associate members.

Further information is available from Mr. Sid Hem, 397-5232.

The Social Whirl

MUSIC SOCIETY CONCERT

A choral and orchestral concert was presented by the Altona Music Society in St. Joseph's Hall on August 3 for the Arts Festival.

The Altona Music Society Choir was supported by the Altona High and St. Joseph's Girls' Junior Choirs in some of the items rendered.

The choirs were accompanied by the Williamstown Light Concert Orchestra and the conductor was Mr. Peter Pearce.

The Altona Choir members made an impressive sight in white with their blue and gold emblems.

The hall was packed out. A repeat performance has been asked for. Mr. Pearce composed two items especially for the concert — "The Festival March" and "Contemplation and Psalm" — both works were outstanding and this is the first time they have been heard in public.

The psalm was sung by Miss Annette Foster as soloist.

All received a tremendous applause. A most enjoyable night was had by all.

It is with regret that Miss O'Brien is no longer with the AMS now as pianist for choir practice as she has retired. All will miss her and wish her well. Any singers wishing to join choir please ring Mr. Pearce after 5 p.m. on 398-1809. The AMS would welcome new members to the choir.

Gemstone

Demonstration

A gemstone demonstration at Watson-crt, Altona, has been organised by the Seaholme Pre-school Mothers' Club for Wednesday, August 23, at 1:30 p.m. Donation is 40c and afternoon tea will be provided. All interested are welcome to attend.

ALTONA GIRLS MAKE DEBUT

Two Altona girls, Shona Pollock and Jaqueline Arthur, made their debut at the recent 50 Social Club annual ball in Williamstown Town Hall.

Eighteen girls and their partners danced a pretty minuet before a crowd of 400, after being presented to the Mayresses of Williamstown, Mrs. Joyce Hoffmann, and Footscray, Mrs. Audrey Argat.

Shona was chosen to make a presentation of flowers and presents to the trainer of the set, Mrs. Margaret Petersen, and the pianist, Mrs. Marilyn Richards.

The ball raised money for the Williamstown, Footscray and Freemasons' Hospital.

ELDERLY CITIZENS DANCE

Dancing will start at 8 p.m. tomorrow night, Friday, August 19, at the Altona Elderly Citizens Club.

Supper and prizes for lucky entrance and monte carlo will be provided for an entrance donation of 30c adults and 15c children.

The following weekend on Saturday, August 26, will be the party for members whose birthday falls in this month. Festivities start at 2 p.m.

Members are reminded of the cards and bowls evening on September 1, commencing at 8 p.m. Entrance fee is 35c and a prize will be available for both gents and ladies.

The social committee will meet at the club on September 4 at 1:30 p.m.

Altona West Kinder.

Meeting

Altona West Kindergarten Committee will meet at the kindergarten on Wednesday, August 23, at 1-15 p.m.

At the conclusion of business a flower beauty demonstration will be presented.

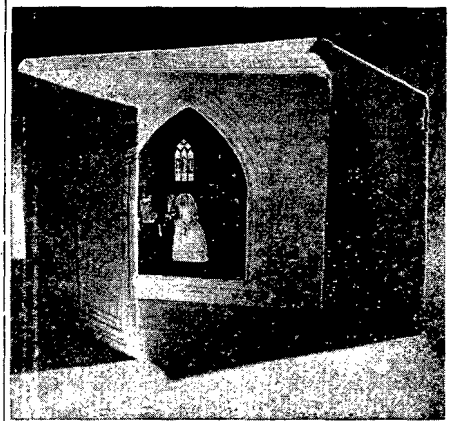

Any interested lady is welcome to attend. Entrance cost is 20c.

MITCHELMORE-CAMPBELL ENGAGEMENT

A surprise party of more than 100 friends and relatives visited the home of Mr. Les Campbell, of McArthur-rd., Altona North, last Saturday night to celebrate his engagement to Miss Joy Mitchelmore, of Morwell.

Among the party were Joy's parents, Mr. and Mrs. Mitchelmore, and Les' mother, Mrs. Campbell, all from Morwell, and Joy's brother, Geoff, who lives in Maidstone-st., Altona.

McDOWELL-STEWART WEDDING

Cutting the cake after their marriage at Holy Trinity Church, Williamstown, on August 5, are Mr. Graham Hamish McDowell and his bride, Mary Elizabeth Stewart.

The bride is the only daughter of Mr. and Mrs. John Stewart, of Findley-rd., Altona West, and the bridegroom is the older son of Mr. and Mrs. J. McDowell, of Surrey Hills.

A full-length dress and coat of French linen was worn by the bride and her finger-tipped veil was held in place by a pill-box hat of the same material. She carried a bouquet of white orchids and hyacinths tips.

The bride was attended by her cousins, Catherine Allen and Rosaleen Haire, and a friend, Sharon Clegg. They wore A-line towns of, pale-green French matalasse and carried bouquets of autumn-coloured straw flowers.

Best man was the groom's brother, Ian McDowell, and the groomsmen Michael Dalling. Ushers were the bride's uncle, Mr. J. Allen, and Mr. W. Winter.

The bride's mother wore a coffee ottoman ensemble with dusty-pink accessories and the groom's mother was wearing an aqua ensemble and green velvet accessories.

The reception was held at 26 Nicholson-st., Footscray. The couple plan to live in Camden, New South Wales, where the groom is doing research in animal husbandry.

ALTONA SHIRE COUNCIL ELECTIONS

SATURDAY, AUGUST 26, 1967, 8 a.m. to 8 p.m.

VOTERS OF ALTONA,

I commend to you Ex-Cr. Pat Burns, Mr. Doug Grant and Mr. Pat Lynch because I know that these men are not associated with any political party and are therefore free to vote as their conscience dictates. As this is in agreement with my own principles, I commend that you vote for these three men at the forthcoming elections.

Cr. LES CROFTS.

PUT ALTONA FIRST.

Ex-Cr. Pat Burns is particularly fitted to fill such a roll as he has previously served for six years as a Councillor of Ferntree Gully Shire, where he demonstrated his ability by filling the offices of Chairman of the Finance Committee, Chairman of the General Purposes Committee and finally Shire President.

Pat Burns, of Scottish descent, was born in Ballarat and has lived and worked in Altona for the past 10 years so that he is fully aware of the local problems.

He believes that party politics have no place in local councils and if elected will act according to the dictates of his own conscience for what he believes to be in the best interest of all the residents of Altona.

Doug Grant is an Industrial Chemist with 25 years experience, four of these years in the field of air and water pollution; he would bring an authoritative voice to council on these aspects.

For 26 years he resided at the Truganina Explosives Reserve, the focal centre of Altona's possible development. He is associated with many local activities — the Altona District Hospital, Altona High School Parents and Citizens Committee, 1st Altona Scout Troop and the Anglican Church.

He is a member of the Altona Working Men's Club, and a past member of the cricket and hockey clubs.

He is also a member of the Royal Australian Chemical Institute, and a past member of the Australian Waste Water Association (Victorian branch).

He believes Altona ratepayers are entitled to full representation.

Pat Lynch, of 333 Blackshaws-rd., Altona North, is a Master Painter and a member of the Painters and Decorators' Society of Victoria.

He is keenly interested and active in communal activities and Altona North development — Secretary of Altona North Youth Club, on the Committee of St. Paul's Junior Football Club, active church and social worker.

A resident in Altona for 15 years, he too feels that the administration of Altona should be free of political influence, from whatever source.

Freeway Affected Streets could become Courts

Last week's Altona Shire Council meeting did more than listen to irate residents protesting at the loss of their homes to the proposed new freeway for the Lower Yarra Crossing.

It heard and endorsed a recommendation by the shire engineer, Mr. R. C. Simmons, on a practical solution for those ratepayers whose streets will be cut in two by the road.

Mr. Simmons investigated the possible ways of suturing off the dead-end streets that will be cut by the freeway.

The streets mainly affected by the plan are Freemans-rd., Misten-ave., Rosala-ave., Irwin-ave. and Chambers-rd.

Mr. Simmons recommendations called for sealing off as dead-ends the short sections of those streets north of the freeway line.

But for the sections of those streets south of the freeway he suggested three alternatives—

1. The streets could be ended as courts with no provision for access between the ends of the streets;
2. They could end as courts with a pedestrian right of way about eight feet wide to connect the ends of all streets between Freemans-rd. and Chambers-rd.; or

3. A roadway could be built to link the ends of Freemans-rd. and Misten-ave. and the ends of Rosala-ave. and Valerian-ave. A pedestrian right of way would stretch between Misten-ave. and Rosala-ave. and between Valerian-ave. and Chambers-rd.

Mr. Simmons said that a roadway would enable cars to leave the streets without turning.

But he pointed out that such a roadway would be narrow, and through traffic would probably mean more road accidents.

Streets ending in courts would be safer for children playing. But residents would have further to go to shops.

Mr. Simmons recommended that council adopt the idea of courts with pedestrian right of ways.

This would also have the advantage of providing a means for essential services such as gas, water and telephones to be carried to ratepayers.

But he said, that unless the lane ways were used frequently they might tend to become dumping places.

Cr. G. den Dulk agreed with Mr. Simmons' report.

"But we all know how lanes behind shops become garbage tips. If the lanes were 12ft. instead of 8ft. we could get a street sweeping machine in there."

"We want to get away from narrow, dimly-lit lane ways. For the sake of an extra 4ft. we could keep them clean."

Council accepted Mr. Simmons' recommendations.

The Country Roads Board will now be informed of Altona Shire Council's decisions.

With the report will go a recommendation that land not needed for the freeway, the right of way, or the proposed pedestrian overpass at Rosala-ave. be given free to adjoining property owners.

A.N.T.S. HOUSE SPORTS RESULTS

Outstanding individual performances in the Altona North Technical School House Athletics were given by Tad Joniec (five firsts, including two new ANTS records), Craig Hyland (four firsts, four new ANTS records) and Colin Cass (two firsts—880 yards and one mile) on July 26. The following boys gained first place in their events (an asterisk (*) denotes a new record for the school)—

UNDER-13

100 Yards: A. M. McDonald; 100B: J. Reece; 220A: D. McDuff; 220B: J. Reece; Hop: Step and Jump: A. Taylor; High Jump: S. Luck; Broad Jump: S. Luck; Shot Put: G. Walsh; Discus: D. McDuff.

UNDER-14

100 Yards: A. I. Haigh; 100B: A. Vassiliadis; 220A: I. Haigh; 220B: G. Taylor; Hop: Step and Jump: G. Speirs; High Jump: E. Makara; Broad Jump: G. Speirs; Shot Put: A. Vassiliadis; Discus: M. Guisti.

UNDER-15

110 Yards: A. G. Hyland*; 100B: R. Roest; 220A: C. Hyland*; 220B: H. Vanderpoel; Hop: Step and Jump: R. Moffett; High Jump: C. Hyland*; Broad Jump: C. Hyland*; Shot Put: J. Puopolo; Discus: J. Puopolo; Javelin: R. Roest; One Mile: D. Luck; 880: R. Henderson*.

UNDER-16

100 Yards: A. G. Hartman; 100B: G. Kobylinski; 220A: A. McEvoy; 220B: R. Puopolo; 440: W. Stace; 880: C. Cass; Hop: Step and Jump: R. Boyd; High Jump: J. Butkiewicz; Broad Jump: R. Boyd; Shot Put: C. Deans; Discus: J. Butkiewicz; Javelin: G. Leigh; One Mile: C. Cass.

OPEN

100 Yards: A. G. Hinds*; 100B: P. Euntion; 220A: G. Hinds*; 220B: I. Cartledge*; 440: I. Cartledge; 880: F. Tedesco; One Mile: S. Cronin; Hop: Step and Jump: T. Joniec; High Jump: T. Joniec; Broad Jump: T. Joniec; Shot Put: T. Joniec*; Discus: T. Joniec*; Javelin: B. Bowman.

Old Racecourse Buildings To Go

Altona Shire Council has received a bid to demolish two old buildings at the Altona Sports Park.

The work would be carried out free of charge. Mr. Richard Stiller and Mr. Peter Stiller, of the Kororoit Creek-rd. Commonwealth Hotel offered to do the job for the material in the buildings.

Council would have to pay for the cartage of the rubble left behind.

The shire engineer, Mr. R. C. Simmons, recommended that the bid be accepted.

"NOISE JUST AS BAD AS EVER"

The noise coming from Union Carbide's factory was just as bad as ever, Cr. Lee told last week's Altona Shire Council meeting.

This was despite a call for a report on the complaints made at the previous fortnight's meeting, he said.

Cr. Lee was told by the shire secretary (Mr. J. W. Waters) that a report had not yet been made.

"We feel we have the source of noise pinpointed," Cr. Lee said.

"It's not good enough to go on for a fortnight despite a report being called for by the council."

"I've got a number of people coming to my house, daily now complaining about the noise. I can't keep telling them that we haven't had a report yet."

Cr. W. G. Cresser agreed with Cr. Lee.

"This matter has to be taken further," he said.

The shire president, Cr. S. G. McIntosh, told council a report would be coming shortly.

It was the second time in a month that Altona Shire Council had received complaints about the noise from the Union Carbide plant.

Last week's meeting also recorded six complaints about offensive odours. Two complaints of dust from Footscray City Council's quarry and two of black dust from an unknown source.

Cr. G. den Dulk said a date had been fixed for the meeting of the council's air pollution committee.

The senior health inspector, Mr. J. Mellors, had done a lot of work toward collecting a report for possible legislation, Cr. den Dulk said.

"In many cases people are making their complaints too late," he said.

"But all these items will be dealt with by the committee."

Cr. J. J. Giffner said he would like to inspect Footscray's quarry and see what was being done to combat the dust menace.

"Rain has kept the problem down but it will probably get worse with the onset of summer," he said.

ALTONA CAMERA CLUB MEETING

The Altona Camera Club's meeting last Friday proved it to be very entertaining and instructive when members were invited to offer their criticism on the colour slides and black and white prints which had been brought along for this purpose. Many problems of varying degree were thrashed out which benefited many.

The prizewinners of the photographic display, Mrs. A. Pateron, Mr. R. Hawkins and Mr. P. Hodges, were presented with their prizes and certificates by the club president, Mr. J. Merriam, who also congratulated members on the quality of the work handed in for the display.

The next meeting on August 1 will be the final beginners' lecture for this year, and will consist of a summary of how the camera operates.

Meetings are held at the Homestead, Queen-st., Altona every Friday (except the first of every month).

Any beginners are welcome to attend and the club members are happy to answer any questions on any photographic problem which may appear.

WORK SOON ON A.N.T.S. HALL

The building branch of the Education Department has advised Altona North Technical School that work on detailed specifications for a school assembly hall is due to commence within the next few months.

These plans will be submitted to the school council for consideration as soon as they are completed which could be late 1967 or early 1968.

After that the next step will be calling tenders for the work.

The hall envisaged would be 800 normally, but a spacious foyer (56ft. x 16ft.) will give additional space.

ALTONA PRIMARY TREE PLANTING

The Altona Primary School Committee is at present engaged in an extensive tree planting project.

Much of the work was undone when vandals pulled out, or destroyed 11 of the well established shrubs in the front garden.

The police have a description of the suspects.

Parents, neighbours and friends of the school would help prevent vandalism if they would ring the local police or D44 whenever they see anyone loitering in the school ground.

The police patrol frequently looks the school over.

Horse owners are warned that they will be prosecuted if they bring horses into the school ground.

Altona High Mother Handcraft Display

The Altona High School Mothers' Club will hold a demonstration of handcraft on Monday August 21 at 3 Altona-st., Altona, commencing at 1.30 p.m. Admission is 25c and afternoon tea will be provided. Everyone will be welcome.

C TEAM SEMI-FINAL

The C Team will play Melbourne University at 11.45 a.m. at National Park in the second semi-final on Saturday.

Once again the Victorian Baseball Association has shown its lack of positive thinking playing this game at this time and at this venue.

For some unknown reason the V.B.A. has not had the foresight to play this game where it could have been started at the normal time, so players should note a game starts at 11.45 a.m. and not 12.30 p.m.

SMOKE NIGHT

The annual smoke night announcement of trophy winners of Newport Baseball Club will be held in the clubrooms on Friday, August 25, at 8 p.m.

Baseball Club's C Team in Semi

With the completion of the last round of matches, Newport Baseball Club's C Team finished on top and so enter the second semi-final next Saturday.

The A Team finished in sixth place and the B Team in fifth place, half a game out of the four. The Under-15's, for the second year in succession, were defeated in the grand final.

The A Team slipped a little on last year's performance (they finished fifth), the B Team missed the four for the first time in four years, and the C Team, which finished fourth last year, showed a big improvement.

MATCH RESULTS

A TEAM

Newport finished the 1967 season by beating Kew 2-1 in a very even match.

By this win Newport ended a very disappointing year for the club in sixth place.

As there was nothing hinging on the result of the game it was played in an almost social atmosphere, with both sides playing well.

For the season Newport won 10 games, lost 10 and drew two. They won six of the first 11 games, lost four and drew one and won four, lost six and drew one of the last 11.

SAFE HITS: J. Maher 2 and W. Minnett 1.
BEST: John Maher, Terry Forrester and Reg Simpson.

B TEAM

Newport played Kew, who only had seven men, and won 13-5. The B Team missed out on the

four by half a game, and only won a bad lapse in form in the middle stages of the season would have been well up with the leaders.

This side showed on Saturday what they are capable of, with many long hits being registered.

C TEAM

The C Team defeated Kew 25-6 on Saturday and ended the season in top position.

This team, too, had a lapse in the middle of the season, but soon settled down to play good baseball and as a result went to the top of the ladder.

A continuation of the form shown over the last few weeks should see them in the grand final.

UNDER-15

The Under-15's played St. Paul's College, Altona North, in the grand final on Saturday and lost 7-5.

Newport did not produce the good form that has kept them on top of the ladder for the whole season and were beaten by a better side on the day.

Congratulations to St. Paul's for winning the second premiership since they have been playing junior baseball.

ST. PAUL'S WIN BASEBALL TITLE

The Under-15 baseball team of St. Paul's College, Altona North, defeated Newport 7-5 to win the Victorian Baseball Association grand final for Division 1.

The game was a tension-filled pitching duel between Peter McDonald (St. Paul's) and Harry Bunting, the talented Under-16 Victorian State team pitcher.

Bunting struck out 15 batters, but could not contain the power hitting St. Paul's College team as they smashed out nine all-important hits.

McDonald showed great control under pressure and was the major difference between the sides.

St. Paul's batting attack was led by leftfielder Jack Roosenboom, whose two safe hits drove in three runs. Paul Lelkes (three hits), John Krawiec (two runs batted in), Enzo Valente and Michael Wityk both contributed safe hits.

Another factor in the victory was the flawless defensive play of the St. Paul's club led by catcher Mike Wityk and first baseman Brendan Michael.

ST. Paul's 021,022,0-17.

Newport 100,013,0-5.

SAFE HITS (St. Paul's): Lelkes 3, Roosenboom 2, Wityk, Krawiec, McDonald and Valente; (Newport): Bunting, Thompson, Lees, Forrester and Sullivan.

Members of St. Paul's College premiership team are Peter McDonald, Mike Wityk, Brendan Michael, Paul Lelkes, Robert Doyle, Enzo Valente, Jack Roosenboom, John Krawiec, Anthony Beven, Mike McConville, Peter Murphy and Anton Kardash.

Next Pedal Club Rally

The next rally will be held on Sunday, August 20, at Mutton Reserve, Fawkner.

The bus will leave 9 Bracken-gve., Altona, at 9-30 a.m.

SILVER PEDAL

AUGUST 12: 106, 14 and 18.

Magnolias are an ancient group of flowering plants producing large and attractive flowers in spring or summer.

The plants themselves are hardy and will withstand frosts. The magnolia will grow in any good garden soil.

After planting and for the first few seasons they will benefit by a mulch in the early summer.

They will grow in both full sun and semi-shade and need only sufficient shelter to protect them from damaging winds and salt spray.

The best time to plant magnolias is when they are at the dormant stage in winter or early spring and certainly before they come into full leaf, unless they are in a large container.

Magnolias should be planted where it is allowed to grow into its natural shape and should not be grown beside other fast-growing trees or plants.

Small flowering specimens such as "hag-stellata" can be grown in a large tub and placed on a patio. This variety, often called "star magnolia" flowers in late winter and seldom grows any larger than 8ft. The small flowers open up to separate petals which gradually fold back and are lightly perfumed.

When grown as shrubs they do not require regular pruning in the same way as roses, but if necessary the shape can be improved by removing misplaced shoots.

Always after flowering remember to cut back to a side shoot or small branch as magnolias range in size from medium sized shrubs to small trees and selection should be made to suit your garden.

Here are two dwarf types to choose from, the most popular ones being "mae-soulangiana." The large tulip shaped flowers are white, tinted rosey-purple on the outside.

Another popular one seen in many gardens is "mag-lilliflora" of shrubby habit, purple flowers appearing with the leaves.

The simple way to propagate these trees by the layering method, in which small younger branches lying close to the ground are inserted in a sandy soil mixture. It is advisable to rub a little hormone powder on the cut, which you will make on the underside of the branch you have chosen to layer.

Once rooting has begun the layer should be partially severed and then finally severed after about three months.

Local Builders Coach State School Hockey

Primary schools played their grand final of the hockey at Grant Reserve last Friday.

Altona, captained by Francis Keeshan and coached by Charlie Trickey, narrowly defeated Seaholme, captained by Paul Weaver and coached by Harry Weaver, 1-0.

The goal was scored in the extra time period by Francis Keeshan who managed to get past solid defenders Stephen Smith and Geoffrey Sudley.

The 22 all played well. The Altona team was presented with a perpetual trophy, donated by Charlie Trickey.

In the primary schools' girls' teams, Seaholme, coached by Vi Smith, defeated Altona and they will also be presented with a perpetual trophy — this being donated by H. & L. Weaver.

Both Charlie and Harry played hockey for Altona and now they not only oppose each other in building, but in sports as well. In the semi-finals of the boys schools hockey earlier in the week, Altona defeated St. Mary's after a very close game 1-0.

There is talk that St. Mary's is being secretly coached at Seaholme and Altona had better watch out next season.

ALTONA YOUTH CLUB'S SUCCESS

The Altona Youth Club Boys' Gymnastic Team won a two star award at the Victorian Association of Youth Clubs Gymnastic Competitions held on August 8 at the Melbourne headquarters of the VAYC in Gisborne-st., East Melbourne.

The youth club team was coached by Mr. Harold Doerner, and consisted of 12 boys between the ages of 11 and 14 years.

The competition comprised a team of 10 performing a team calisthenics exercise, followed by an individual calisthenics team of six members, working on the vaulting horse and bars, ending in a team pyramid with all 10 boys.

Team members were Kevin Conran (captain), John McArdle, Wayne Kelly, Mark Swarbrick, Wayne Gray, Ronald Gray, Ian Barlow, Mark McDonald, Wayne Groves, Glen Groves, George Neal and Greg Richardson.

Many thanks to Max Baldwin and to the parents of some of the boys whom went to the competition to support the youngsters.

Well done, boys.

LOCAL BIKE RIDER HAS WIN

Winner of the 60-mile senior and junior cycling race at Camperdown last Saturday was Tom McEwen, of Civic-pde., Altona.

After 12 years of retirement he only returned to competitive racing five months ago. Tom went to Camperdown with a group of riders who all belong to Footscray Amateur Cycling Club.

His 14-year-old son, another Tom, is also a member of Footscray. It is unusual for father and son to be members of the same amateur cycling club.

Usually by the time a son is old enough to ride his father has turned professional.

However, the exceptions are Tom McEwen and son Tom.

Before his retirement Tom Senior rode with the Brunswick Club with which he had some minor successes.

Since his comeback he has won the John Beasley Trophy at Footscray and was a member of the Footscray team which was placed third in the senior event of the annual premier-ship races of the Amateur Cycling Union of Australia. One of his fellow riders in this team from Footscray was John Bylana who at present is in Amsterdam contesting the World Pursuit title.

For his win last Saturday Tom received a canteen a cutlery valued at \$50.

Tom Junior rides with the sub-juniors (up to 16 years). In May he was second in the first open race of the season—a race in which sub-juniors from all over Victoria could compete.

PAT LYNCH BACK FROM IRELAND

Pat Lynch, the Ratepayers Candidate for the forthcoming Altona Shire Council elections, has returned from Ireland.

His visit became necessary due to the serious illness of his mother.

He would like to apologise to the ratepayers for not being able to make personal contact with them during this period, but if anybody would like to see him please contact him at 433 Black-shaws-rd., Altona North, or ring 391-3556.

WATER SHALLOW AT BOAT RAMP

Altona's new boat ramp has been completed, but so far it has not been used.

And the reason, last week's Altona Shire Council meeting was told, is that depth of water is not enough.

In fact, at low tide the bottom of the ramp is entirely uncovered.

"We intend to construct a small channel to allow boats in and out at all times," the shire engineer, Mr. R. C. Simmons told the meeting.

"This channel will probably remain open without maintenance for at least 10 months."

"It will need regular care after that."

Mr. Simmons said the nearby parking area had been taken to its first stage. But money would be needed before it was sealed.

"Anyway," Mr. Simmons said, "it's not the fact of the ramp that boats can't be launched—it's because the depth of the water is not enough."

ANNUAL MEETING OF TENNIS CLUB

The annual general meeting of the Altona Tennis Club will be held in the clubrooms in Fresno st., at 7:30 p.m. on Monday, August 21.

Winners of club championships, senior and junior, were:

Mens A Singles, R. Graham; Ladies A Singles, J. Parkinson; Mens B Singles, R. Walker; Ladies B Singles, M. Orchard; Mens Handicap Singles, M. Kelly; Ladies Handicap Singles, O. Kelly; Mens Doubles Handicap, R. Graham and C. Turner; Ladies Doubles Handicap, O. Kelly and G. Cronin; Mixed Doubles Handicap, G. and L. Findlay; Mixed Family Event, J. and O. Kelly; Mixed B Doubles, J. Trickey Jun. and M. Orchard; Under-16 Boys, John Trickey; Under-16 Girls, Jeanette Walker; Under-17 Special Boys, Rex Snowling; Under-14 Girls, Lindsay Smith; Under-12 Boys, Graham Crofts; Under-12 Girls, Yvette Robertson.

JUNIOR TEAMS FOR SUNDAY

SECTION 2

Altona No. 1 v. Liston No. 2, away.

W. Thomas, R. Snowling and P. Sawyer. (Emergency: P. Euinton). J. Walker, L. Smith and S. Keown. (Emergency: B. Walker.)

SECTION 3

Altona No. 1 v. Liston No. 2, at Altona.

G. Wood, B. Cranwell and C. Sutton. (P. Euinton). J. Findlay, R. Webb and H. Shields. (G. Bryant.)

Altona No. 2 v. Yarraville, away.

R. Groves, G. Crofts and P. Euinton. (M. Groves.) G. Bryant, J. Wise and D. Crofts. (L. Hyde.)

Social For End Of Indoor Bowls

A social novelty night for the wind-up of indoor bowls will be held by the Altona Bowling Club in the pavilion on Saturday afternoon and night next.

There will be a hot tea at 6 p.m. and admission is 40c.

CHURCH TENNIS ANNUAL MEETING

The annual meeting of the Williamstown Footscray and Sunshine Protestant Churches Tennis Association will be held in the Barkly-st. Methodist Hall on Tuesday, August 22, at 8 p.m.

Any interested protestant church in these areas or around them are invited.

If you are interested at all, but cannot attend the meeting ring Mr. F. Chaplin (314-7136) or Mr. W. Hansen (397-6869) for information.

The winter competition, which has three rounds to go, is in a very interesting position.

In A Grade seven of the 10 teams can still make the finals, while in B Grade six of the seven can make it.

In last Saturday's games (the twelfth round) only two teams, St. Marks 1 and 2 won in A Grade and in B Grade only Barkly-st. Meths won. All other games were unfinished draws.

The Association would like to offer their heartfelt congratulations to Liston Esplanade Tennis Club on their great win in A Penant. It is something for all tennis players this side of the Yarra to be pleased about. Well done Liston Esplanade.

3rd Altona Scouts And Cubs

CUBS
Congratulations to Trevor Mondou (first star), D. Townsend (leaping wolf) and S. Hammond (athletic badge).

Next Saturday the cubs football team will play 2nd Altona on Cooper Reserve. Parents would you come and support and cheer the boys?

SCOUTS

Next weekend some scouts are going hiking to Trentham with Jan Hill of 4th Footscray. The remainder of the scouts will have a mystery activity on Saturday, August 19.

G. Odd and G. Keyes were made patrol leaders and G. Box and G. Elsin were made seconders on six weeks trial.

The special effort was No. 70, Mr. S. Durant.

EDUCATION WEEK HOCKEY RESULTS

Altona Hockey Club's Education Week Primary Schools Competition results are as follows—

CHAS. R. TRICKEY TROPHY—BOYS

SEMI: Altona d. St. Mary's 2-1. FINAL: Altona d. Seaholme 1-0.

H. & L. WEAVER TROPHY—GIRLS

SEMI: Altona d. St. Mary's 2-0. FINAL: Seaholme d. Altona 2-0.

Special thanks to umpires Mr. J. Studley and Mrs. J. McKechnie (boys) and Mrs. V. Smith and Mrs. B. Golacki (girls).

WILLIAMSTOWN, ALTONA and FOOTSCRAY DISTRICT CRICKET ASSOCIATION

44th ANNUAL MEETING

will be held on

TUESDAY, AUGUST 22, 1967,

in the Newport Library Hall, Mason-st., Newport,
at 8 p.m.

Old and intending clubs are invited to attend. For further particulars contact L. A. Chandler, 13 Salisbury-st., Newport, 3015. Telephone: 391-3537.

Table Tennis Finals Commence

Round 15 of the Western Suburbs Table Tennis Association, completed during the past week, concludes the home round series and this week the table tennis centre will start a full round of semi-final matches.

In Cl. Aust. Glass Manuf. v. Grieve Highway. In D3 BACM play Altona Working Men's Club; E3. Williamstown v. Laverton. Winners of the semi-final match in each grade will play the top team in the final for the premiership during next, August 22 to 25.

Semi-final and finals will be contested each evening over two weeks, and a high standard of play is anticipated. Friends and supporters are invited to attend and watch, and new players and teams intending to compete in the summer pennant are also welcome.

1967-68 SUMMER PENNANT
Entries are invited for the forthcoming summer season, scheduled to commence in last September. Sporting and social clubs, factories and business enterprises are invited to call at the Centre, Garden-st., Williamstown, and discuss table tennis with officials there. Many juniors and school students are now playing competitive table tennis, and some of these are making rapid progress.

AGGREGATE TROPHY
With the completion of round 15, honours go to the most consistent players in each grade, who are awarded the Aggregate Trophy for the winter season, and in Cl. Gordon Lewis, of Grieve Highway, won this honour. In D2, Ken Peake, of Altona North Technical School, was the winner.

Trophies will be presented at the annual presentation night, to be held at the ICI Recreational Hall, Deer Park, on Friday, December 1.

A.W.M.C. INDOOR BOWLING

The north-west pennant series final will be held on August 22 at the Altona Working Men's Club.

On August 19 Charlton and district bowlers will pay another visit to the A.W.M.C. The A.W.M.C. mixed doubles will be drawn after September 1. All entries to be in by this date.

All members are reminded to watch the bowling notice board for current information.

Winners of Thursday night's social games were—
HIGHEST: T. Marriott (skip.), Elsie Locke, Joyce Rowe and C. Baldwin.
LOWEST: Merle Locke (skip.), Nina Vanderpool, R. Mills and M. Heeze.

KOORINGAL GOLF

Results of the stroke event played at Koorlingal Golf Club on Saturday, August 12, are as follows—

A GRADE: W. Court (10), 71.
B GRADE: F. Johnstone (13), 69.
C GRADE: A. Barrett (23), 66.

On Sunday, August 13, a stableford was played and it resulted as follows—
E. Wolter, 39 points, from N. McKinnon, 38 points.

ASSOCIATES

On Tuesday, August 17, the Koorlingal Golf Club Associates Captain's team played the President's team and results are—
CAPTAIN'S TEAM: Mrs. I. Oatway (23), 72 net.
PRESIDENT'S TEAM: Mrs. V. Jones (30), 69 net, on a comeback from Mrs. R. Logan (28).

LADIES 10-PIN BOWLING SCORES

Results of games played in the Central Hotel Ladies 10-Pin Bowling League at Footscray Bowl on Monday, August 7, are as follows—

Loy's Lemonade d. Central Hotel 2-1.—High: Games (HG); Marie Miller (LL), 157; Isabelle White (CH), 138.

Roberts Nurseries d. 7X Beverages 3-0.—HG: Jean Whitten (RN), 178; Jean Matthews (7X), 122.

Watts Stores d. M. & D. Homes 3-0.—HG: Betty Cox (M&D), 157; Fran Watson (WS), 162.

Broberg's Chemist d. Delmans 3-0.—HG: Betty Menden (ID), 166; Lorna Quigley (BC), 158.

LEAGUE LADDER

Team	Won	Lost
Roberts Nurseries	55	25
Broberg's Chemist	46½	34½
Delmans	44	37
Loy's Lemonade	40½	40½
M. & D. Homes	39	42
Watts Stores	38	43
7X Beverages	32	48
Central Hotel	31	50

Altona "Cleaned Up" by Ajax in Soccer

Ajax Soccer Club did something no other team has been able to do all season—they administered the first home defeat on Altona, 1-0.

This game was marred by a gale-force wind blowing across the field. Ajax deserved to win because they made better use of this wind.

Altona won the toss and elected to kick with the gale. This could have been a mistake. Some people think it is better to come from behind using the wind advantage in the second half.

Altona took for granted to settle down. The half-back, who was terrific last week, forgot what to do with the ball and precious minutes were wasted in mid-field play. New boy David Cook and Steve Herman were trying to do something to stir things up.

Ajax, however, had the answer with first time tackling. They knew how to move the ball quickly and what they lacked in experience they made up for in determination. Craig Copley had a chance but was surrounded by Green shirts before he could get his shot in.

One hundred and fifty people weathered the cold to cheer Altona on. If they won this game no other team could catch them and Division 2 was theirs, but Altona played like a crowd of old women instead of League leaders.

David Cook scored a good goal but the referee knocked it off. Vandelpoel also had the ball in the net, but an infringement ruled it off also and the whistle blew for half-time. There were long faces among the Altona

supporters as their team trooped off the field.

Well, you don't get away from Kim Reserve with two points without a struggle and the last half saw Altona try a lot harder but this was like shutting the gate after the horse had bolted!

Balish and Milloy gave it all they had. Herman raced through but missed at the last moment. Andy Rice and Karamalos managed to stem the Ajax forwards. Grecco moved upfield, allowing the speedier Copley to move back.

The wind was winning. Ajax were starting to use it for fast raids which spell danger for Altona. Ian Roberts was being called on more and more. He had one tremendous save as he tipped the ball over the bar as the centre cannonballed in a terrific drive. Ian had to admit defeat in a goalmouth scrimmage. The ball was cleared to the foot of an Ajax player and it was a goal.

Desperation spread through this Altona team. It was as if they had wakened out of a bad dream. This couldn't be true? But it was. With vengeance Altona attacked. Coles sped down the wing. Grecco was trying all he knew to try and create an opening. Vandelpoel was clean through, but at the last minute he fell over the ball.

Cook tried a shot but it was well saved. Full time came and the all-powerful Altona had been humbled by lowly Ajax, who incidentally played with great sportsmanship.

NEXT GAME

Next Saturday Altona travel to Albion Rovers. With only two games to go the locals need one point to clinch the flag. Can Altona do it?

RESERVES

Altona Reserves drew two all with Ajax. The youth policy is going to pay big dividends soon. Delmain, Stuttgart, Pace and Cook have great potential. Cassar has best man field and goals were scored by T. Cassar and E. Cutajar.

UNDER-12

Altona A d. St. Albans 1-0. The goal was scored by Nat Little and best were Roberts, Spencer and Gramsbergen.

BRISTOL BLASTED IN DARTS

In the vital match to see who would finish up Division 1 leaders, in Western Suburbs Darts, Seaholme and Bristol faced up for the big "battle."

Seaholme jumped away to a good 3-0 lead when Allan Easdon (S) defeated Eddie Healey (B), Ron Bailey (S) d. Brian Smelt (B) and Walley Ellis (S) d. Fred Condon (B).

"Old reliable" Sid Naylor (B) caused the upset when he broke the "ice" for Bristol by defeat-Mick Ellis in 20 darts!

Doug Stirk (B) then faced Ken Kennedy (S) to notch a second point for Bristol and it appeared that Bristol had now reached the turning point.

However, Seaholme put a stop to this when Andy Butler (S) d. Roy Morrison (B) and Bob Turner (S) d. "Gunga" Dean. In the last singles Bernie Eckstein (B) added another point for Bristol when he defeated Terry Rogers (S) to bring the score to 5-3 in Seaholme's favour.

Sensing victory, Seaholme went into the doubles full of confidence and paired Allan Easdon and Roy Bailey against Eddie Healey and Roy Morrison, but Eddie and Roy proved too good for Allan and Ron.

Seaholme then "marshalled" its forces under the guidance of "Wagger" Hitch and fired three broadsides into Bristol when the Ellis brothers defeated Fred Condon and Brian Smelt. Ken Kennedy and Terry Rogers d. Bernie Eckstein and "Gunga" Dean and Bob Turner and Andy Butler d. Doug Stirk and Sid Naylor to give Seaholme the match and make them leaders of Division 1.

In Division 2, Newport, by defeating Yarraville Club (1) added two more premiership points to make them unopposed leaders. Altona Working Men's Club journeyed to Footscray to play Exchange Hotel in a "must" match and returned the victors with a 10-3 result to put them into second position.

FINAL SERIES

The finals series will be conducted tomorrow night, Friday, August 18, at the Memorial Hall in Railway-ave. Laverton, commencing at 8 p.m.

DIVISION 1

FIRST SEMI: Goodrich v. Pioneer Hotel. SECOND SEMI: Seaholme v. Bristol Hotel.

DIVISION 2

FIRST SEMI: Yarraville Club (1) v. Commercial Hotel. SECOND SEMI: Newport Hotel v. Altona Working Men's Club.

SUMMER COMPETITION

At a meeting held last week it was decided to conduct a summer competition controlled by a sub-committee, to which the following members were elected—
Chairman: Bill Groom; Secretary/Treasurer: Ron Loversidge; Assistant Secretary: Cliff Holton; Committee: Charlie Neal, Eric Millardship, John Payne and Reg Krehlin.

A further meeting of the committee and the secretary of each club will be held at the Bristol Hotel on Wednesday, August 23, at 8 p.m.

At this meeting all team registrations and players registration fees are to be paid.

The size of a team has been reduced to six and a match will consist of nine games—
Six singles, 30 up, straight start, double finish, best of three legs.

Three pairs, 401 up, straight start, double finish, one leg only. The competition will comprise of 10 teams as follows—
Plough Hotel (1), Plough Hotel (2), Bristol Hotel, Bristol Rovers, Sunshine RSL, Sunshine Golf Club, Goodrich, Racecourse Hotel, Premier Albert Hotel, Exchange Hotel.

A.N.T.S. CROSS COUNTRY RUN

The annual cross country run in which all students of Altona North Technical School raced over a distance of four miles was held on August 2. The course, set out through the streets adjacent to the school, proved to be a good test of the boys' stamina and fitness.

Excellent runs were recorded by Frank Tedesco (Open) and diminutive Harold Jones (Under-13), who both went close to bettering the existing school record. To encourage all students to do their best House points were awarded to the first 40 runners in three age groups. Total House points were Gold 649, Red 428, Blue 653, Green 401.

Medallions were awarded to the first four runners in each age group—

UNDER-13

1st: H. Jones, 1E; 2nd: G. Roe, 1D; 3rd: P. McAnulty, 1C; 4th: W. Gray, 1D.

UNDER-15

1st: I. Haigh, 1F; 2nd: T. Hardham, 3G; 3rd: S. Mologousis, 3A; 4th: G. Wright, 2E.

OPEN

1st: F. Tedesco, 4A; 2nd: A. McEvoy, 3F; 3rd: G. Eagland, 4A; 4th: G. Bond, 5A.

The climax to the afternoon's program was a tug of war contest among the four houses. The tug of war is an innovation at Altona North. It has proved popular as an outlet for superlative energy.

Mr. Delmenico conducted the tug of war draw. A staff team challenged the fifth formers in the last event.

Needless to say, the enthusiasm of the boys and lack of training by the teachers resulted in the staff being easily defeated.

Final house points in the tug of war contest were as follows: Blue 32, Green 13, Gold 29 and Red 10.

It appears that as a result of these two contests and their fine efforts in swimming and athletics, Gold House will win the shield for the Champton House of 1967.

REPORT ON CYCLING

On July 22, James Williamson (3E) and Charles Elliott (3D) represented the school in the Victorian Schoolboys' Cycling Championships (Open Division).

James performed creditably to gain third place in the Western Zone Final in which 30 riders took part. In gaining third place, James is eligible to compete in a repechage zone final, consisting of 2, 3, 4 and 5th place-getters of the zone finals.

All winners of the zone finals and the winner of the repechage event will race in a grand final to be held near the Richmond bike track on August 20, at 1:30 p.m.

It is worthy of note that James was selected to represent the Footscray Amateur Cycling Club in the Victorian premierhips, in which they won by four secs.

METRO. FOOTBALL LEAGUE — SENIORS

Altona Will Play in Finals

By defeating Bellfield last Saturday, Altona assured their chance to play in this seasons final series of the Metropolitan Football League.

With only one home and home game left to play Altona are six points clear in fourth place.

Percentage will probably defeat their hope of the double chance, and it is now near certain they will be playing either Northcote Park or East Hawthorn in the first semi-final.

Ironically, the final four are pitted against each other in the last home and home game next Saturday when East Hawthorn (third) play Reservoir (top) and Altona (fourth) meet Northcote Park (second), at Grant Reserve.

The same teams could line up against each other on the following Saturday to play the first and second semi-finals.

The game a Bellfield last Saturday was played under conditions that were probably the worst for the season.

With gale-force cross winds, keeping the ball in play became almost an impossibility. Bellfield added to this in no small measure, by adopting negative tactics and were content to fire the ball at the boundary line, whether in defence or attack.

Although Altona were without five regulars in Rohleder, Schwabbe, Reid, Locke and Gurry, they had little trouble in making the game safe by half-time.

The only real interest was how many goals Altona could manage under the shocking conditions. Heavy rain during the last term made both players and spectators anxious to hear the final siren and when it sounded Altona were 11-22-88 to Bellfield 4-3-27.

GOALS: Page 3, Devereaux 2, Rielly 2, R. Petersen, I. Morrie Tisdale 1, Skelley 1 and Rowson 1.

BEST: McLean, R. Petersen, J. Petersen, W. Devereaux, R. Lawson, Morrie Tisdale and Hogan.

NEXT GAME
Next Saturday Altona meet Northcote Park at Grant Reserve.

INJURED PLAYERS
TIM GURRY (knee ligaments) could miss again this Saturday, but is hopeful of training again next week and being available for the semi-final.

PHIL REID (bruised heel) is expected to be fit for Saturday. BARRY LOCKE (strained thigh muscle) is nearly certain to be fit.

RON SCHWABBE will not be available to play for the rest of this season. Ron has been sent to Queensland by his employers and will be away for at least six weeks.

NOEL ROHLER, who had car trouble on the way out to Bellfield last Saturday, made a gallant effort in a friends car to make it to the ground on time.

Noel got there as the players ran on to the ground and found himself in the unusual position of 19th man, probably the first time ever that Altona's captain has had to keep the bench warm. Perhaps Noel, noted for his cunning on the playing field, applied this same art in correctly reading the weather conditions and timed his arrival accordingly.

RON LAWSON, who was originally selected as 19th man, took Noel's place in the side and placed on a centre wing. This young player gave a good account of himself. He quickly settled into the tempo of the game and should have a bright future.

CLUB CABARET

Don't forget the club cabaret dance at the RSL Hall this Saturday night. Supper and refreshments. Tickets are \$2.50 a double.

METRO. FOOTBALL L.— RESERVES

LOSS FOR ALTONA RESERVES

Northcote Park 7-10-52 d. Altona 3-8-28.

GOALS: Rielly 2 and MacFadyen 1.

BEST: Harrington, Neal, Sherriff, S. MacFadyen, Allen and Peachy.

NEXT GAME

Altona meet Bellfield next Saturday away. This completes the season for the Reserves.

Go to Bell-st., then travel to Oriel-rd., then right to Ford Park.

WESTERN SUBURBAN FOOTBALL LEAGUE

Open Age Four Decided

A win to West Newport and a loss by Laverton decided the Open Age final four in the Western Suburban Football League last Saturday.

The only position in question now is which team (Maidstone or Newport) will have the double chance. Both teams are equal on points and both have hard matches in the last round on Saturday.

Maidstone meet top team Central Altona and Newport go to Laverton Reserve, where they have never won on this ground against West Newport.

MATCH RESULTS

OPEN AGE

West Newport 6-10-46 d. RAAF 7-2-44. Central Altona 10-15-75 d. Laverton 4-5-29. Newport 14-21-105 d. South Kingsville 5-7-37. Maidstone had the bye.

WEST NEWPORT had a narrow escape against RAAF who, because of a change, had the use of the wind for three quarters and made good use of it.

CENTRAL ALTONA had little difficulty in defeating an injury weakened LAVERTON who cannot now get back into the four. NEWPORT also had wind troubles but defeated SOUTH KINGSVILLE comfortably.

UNDER-18

Werribee 9-12-66 d. West Newport 6-10-46. Altona received a walkover from Laverton. Central Altona had the bye.

WERRIBEE, with a more direct approach to goal, had a three-goal victory over WEST NEWPORT, whose forwards were haphazard in their play and contributed to their own defeat.

LAVERTON, who have had a bad season with injuries, found more players unavailable through illness and were forced to give a walkover to LTONA.

UNDER-16 SECOND SEMI-FINAL
Werribee 16-10-106 d. West Newport 7-6-48.

WEST NEWPORT, without two key players through injury, could not match Werribee's determination and went down by nine goals.

The winner's "tall timber" had the advantage in marking and ruck duels and the nimbleness of the "small fry" around the goals helped a lot in their victory.

LADDERS

OPEN AGE

Team	Pts.
Central Altona	179.6
Maidstone	171.4
Newport	139.4
Werribee	157.7
Laverton	123.2
RAAF	73.0
South Kingsville	17.3

UNDER-18

Team	Pts.
Altona	555.6
Werribee	183.7

Western Suburbs Churches Football

SECOND SEMI-FINAL

Altona Methodists 16-13-109, d. Holy Trinity 5-5-35.

Altona's coach, Ron Lawson, and mentor Jim Page, are to be congratulated on the fine job they have done by giving so much time to welding the boys into such a good team.

Playing as a well knit unit, Altona Methodists proved beyond any doubt that their excellent record of going through the season undefeated was well-earned.

They will play in the grand final on Saturday week against the winner of the preliminary final this Saturday between Holy Trinity and Williamstown Methodists. This match will be played at the J. T. Gray Reserve at 9-30 a.m.

West Newport	90.2	38
Central Altona	69.3	24
Laverton	31.5	8
Newport	27.2	4

NEXT GAMES

Next games for all three sections (with likely winners in bold type) are as follows—

UNDER-16 (10 a.m. Saturday)
PRELIMINARY FINAL: West Newport v. Altona, at Newport Sports Oval.

OPEN AGE (2-30 p.m. Saturday)
West Newport v. Newport. Central Altona v. Maidstone.

South Kingsville v. Laverton. RAAF have the bye.

UNDER-18 (2-30 p.m. Sunday)
FIRST SEMI-FINAL: West Newport v. Central Altona, at Newport Sports Oval.

UNDER-18 BEST AND FAIREST

For the second year in succession DENNIS VANSTONE, of West Newport, won the Under-18 Best and Fairest Award with a total of 19 votes.

Following him were R. HENDRY (Central Altona), 16; N. ARRIGO (Werribee), 15; J. DUNCA (Altona), 13; T. BAXTER (Werribee), 10.

ROBERT'S NURSERIES FOR ROSES

17 Douglas Parade, Williamstown. Phone: 397-5066.

BUSH AND CLIMBERS, 65c; STANDARDS, \$1.50.

ANN LETTIS. Silvery pink, double tight buds and firm petals, erect. Fragrant.

ANVIL SPARKS. Rich orange, tangerine splashed with yellow streaks, healthy medium growth.

BALLET. Very rich pink. Large blooms of exhibition standard.

BLUE MOON. Large ice blue blooms, free flowering, strong grower. Clean lemon perfume.

CARELESS LOVE. Crimson with white streaks, sometimes half red half white. Most unusual. Fragrant. Reverts to pink occasionally.

CHARLES MALLERIN. Very dark velvety crimson, large blooms, perfect shape. Tall grower. Fragrant.

COLUMBUS QUEEN. Well formed deep pink blended with lighter shades as the bud opens. Vigorous.

CHRISTIAN DIOR. Scarlet crimson, well formed flowers on vigorous growth.

CHRYSLER IMPERIAL. Dark crimson, fully double, high pointed exhibition blooms. Vigorous. Fragrant.

CRIMSON GLORY. Rich deep crimson. Double, sweetly scented.

EDITOR MCFARLAND. Deep pink double blooms of good shape. Hardy growth. Fragrant.

EIFELL TOWER. Large long pointed bud on long strong stems. Pale pink, lasts well, vigorous growth and free branching habits.

ELIZABETH ARDEN. Pure white, double, vigorous and sweet scented.

FIRST LOVE. Lovely soft pink and rose, semi-double long pointed buds with well reflexed pointed petals. Vigorous free flowering, almost thornless.

FORTY NINE. Brilliant bi-colour. The inside petals vivid red, the reverse is chrome to straw yellow.

FRAGRANT CLOUD. (Duftwolfe.) Large well shaped blooms deep coral red, healthy, deep green foliage, upright growth, free flowering, disease resistant and extremely fragrant.

GOLDEN GIANT. (Goldschmuck.) Large golden yellow. Forty-five petals, produced on strong vigorous growth. Fragrant.

HELEN TRAUBEL. Salmon pink shading to apricot. Opens cleanly in all weather. Long stems. Hardy growth. Fragrant.

KORDES PERFECTA. Cream or ivory base, heavily overlaid with rose red or glowing carmine. Growth is tall and healthy.

LLAC TIME. Large, semi-double, grey veined and good form.

LORRAINE LEE. Deep rose pink. Most suitable for hedge purposes.

MCGREEDYS YELLOW. Bright yellow, large double blooms, light green sparse foliage. Moderate grower.

MOJAVE. Rich reddish orange, semi-double blooms opening to lighter colours. Fragrant. Excellent rose.

MONTEZUMA. (Grandiflora.) Salmon orange, long pointed buds full blooms on healthy growth.

NEW YORKER. Large well formed, double brilliant, unfading red blooms. Fragrant.

OPHELIA. Fragrant salmon flesh pink, with yellow at the base of the petals. Strong sturdy growth.

PAPA MEILLAND. A vigorous grower, free flowering, a rose of distinction, large blooms, deep velvety crimson with an old rose fragrance.

PASCALI. Medium size pure white blooms, vigorous bushy and free flowering. Fragrant. An excellent white.

PEACE. (Mde. A. Meilland.) Yellow edged with pink. Double. Longest keeping variety as a cut flower. Vigorous and sweet scented.

PRES. H. HOOVER. A mixture of yellow, orange and claret bold, semi-double on very long strong stems. Sweet scented.

QUEEN ELIZABETH. (Grandiflora.) A delicate pure pink, most attractive shade, growth both hardy and free. Tall flower.

QUEEN FABIOLA. A brilliant glowing orange cerise. The buds are long flowers perfectly shaped and last well when cut.

ROD STILLMAN. Deep pink, shaded salmon with an orange base. Tall grower, sweetly scented.

SHOT SILK. Salmon pink with copper shadings. Shiny foliage. Fragrant with vigorous upright growth.

SILVER LINING. Pale rose with a silver base, outer petals deeper rose. A splendid free flowering healthy plant. Sweet scented.

SOROYA. Rich orange scarlet, long pointed buds, long stems, vigorous bushy growth.

SOUTH SEAS. Warm soft coral pink, double, good form, splendid habit of growth.

STERLING SILVER. Pale lavender pink buds opening silvery lavender, long pointed buds. Short grower.

TASSIN. Black red, double, probably the darkest rose we have. Sweet scented.

TZIGANE. Rich coppery salmon with a yellow reverse, most attractive bi-colour. Short growth. Scented.

VIENNA CHARM. Double blooms, gold to bright copper could be called apricot, unique long pointed buds, firm, on extremely strong upright stems, one of the best releases in this colour range for a long time.

CIRCUS. Red, yellow, orange and pink, an everchanging colour. Healthy bushy growth. Outstanding variety.

DEAREST. Clear soft rosy salmon, nicely formed firm buds in clusters, fragrant.

ELIZABETH OF GLAMIS. Deep salmon flowers, strong fragrance, clean healthy plant of good habit.

GOLDILOCKS. Yellow, double. Foliage leathery and glossy. Fragrant.

4-S. MacFadyen.
3-Newton.
1-M. Calaz, I. Haugh.

Altona Hockey Results

B NORTH
Playing the bottom team, Altona showed just how badly practice was required when they lost 2-0.

Altona stands to have two B Grade teams next year and a coach as well. This may be primitive, but it is necessary to get all the pre-season practice and match practice that can possibly be managed.

All know just when the season will begin in 1968, so it is hoped to see all players available and willing from the beginning.

There will be carnivals at Albany, Queen's Birthday and any other number of carnivals available for members to try out in. The 1968 season will be a big season with a lot of expansion coming to the club—grounds, clubrooms, lighting, etc.

The August general meeting will be held on the 23rd.

C NORTH

Altona were defeated by Essendon Old Collegians 5-1.

With several changes from the previous week, Altona went into this game with relaxed thoughts, but when the going became hard it was seen that Altona was not going to give up easily, so it turned out a dogged match with both sides going in hard.

But Essendon got a run on near the finish to win easily.

In conclusion C Grade would like to thank the following Under Age players for the job of

UNDER-16

VOTES FOR THIS WEEK
Altona Under-16's did not play last Saturday.

PROGRESS TOTAL
19-V. Pateras.
18-S. Chatfield.
13-K. Fleet.
12-B. Garde.
4-I. Hardham.
3-P. Hartney, Grant.
2-Van Dyke.

umpiring during the season—Peter and Robert Byrnes, Ian Bennet and Brian Smith.
GOAL: K. Waters.
BEST: K. Waters and B. Smith.

UNDER-14

Altona were defeated by Greensborough in the grand final of Under-14 hockey on Saturday.

With a high standard of hockey Altona went down by one goal to Greensborough. Altona found it very hard to cope with the oppositions bigger men, who controlled most of the play.

This game was without a doubt one of the best Altona have put in for this year.

Full credit must go to Altona as they went through the season being beaten in only one game.

Best players were hard to find as every player in the team excelled himself for the occasion.

UNDER-12 WIN ZONE GRAND FINAL

Playing Greensborough at Elsternwick Park, the Altona team gave a wonderful display of teamwork which was a credit to the boys and to coach Jim Studley and won this, the most important game of the year.

Under-12 boys are a delight to watch when they try so hard to do all the things that they have been told and play the game with all their hearts—tears for the loser and big, big smiles for the victors.

John Forrester scored the only goal for the match with a combination of good stickwork and persistent attack which earned its just reward.

Many Greensborough attacks, concentrated through their star centre forward were turned back by the great play of Peter Symons and Mark MacDonald, the Altona backs. John Mallett and Geoff Studley stuck to their jobs of holding up many Greensborough attacks and supporting Altona's.

It was a pity the umpire was rather severe on "sticks" as several penalty corners taken

by Altona finished up in the but were taken away because the striker giving "sticks." Congratulations to all the including those boys who in the team win matches throughout the year, but, because excess of players, had to on the sidelines for this season.

B GRADE LADIES

Travelling to Royal Park meet the second team, Altona with two bad games under belts, were determined to win this one.

Starting the game very Altona went into attack with forward line completely cut Meg Ducker picked up the and put it into the net for first score of the game. Altona had most of the for the rest of the half could not find the net.

This was the pattern of game until half-time when Altona led 1-0.

After half-time Black came back with a burst scored the equaliser, but not go on with it.

Altona again took over play, but could not find it until Kerry Smith picked pass and netted, to be followed by a goal by Vi Smith, sealed the game and costed a place in the four final.

Altona cannot be put of the four now.

Altona will have to fight next Saturday as they meet top team, Vermont, who recently defeated them last.

GOALS: Meg Ducker 1, Smith 1 and Vi Smith 1.

BEST: No player could be picked as all girls tried hard in this game.

C GRADE

Altona defeated Ivanhoe in a game that started very well.

Altona got on top from first whistle and hit two in the first half, but the second half lacked the fire the players showed earlier.

GOALS: Julie Pratt 1, Sabine Strohl 1.

BEST: Robin Deegan, Sabine Strohl.

District Leaders in Real Estate

Laverton Report — by "PROG"

The Laverton Progress Association's monthly meeting on Monday, August 7, was opened by Cr. F. Gibson, with 25 members present.

A letter from the PMG Department stated briefly that the surrounds of the telephone box at "Peter's Corner" was no concern of theirs.

They had placed a concrete slab outside the box for the public to walk on, but any other work must be contracted by the local authorities.

On inquiring if there were any apologies (and hastening to mention that all apologies should be in writing), Cr. Gibson was surprised, to say the least, that there was.

The one and only excuse was written so delightfully that it brought forth a round of applause. It was a cheque from a local businessman! A letter of thanks is on its way.

At this juncture the chairman then called the meeting to a temporary close to hear a talk by a representative of the Australian Air League.

The meeting was re-opened 30 minutes later with the treasurer (Mr. Shipsey) reading the financial report. We were all pleased to see Archie on his feet again after his car accident, but his report sounded more like "heart's and flowers" if you know what I mean.

However, he brightened up a little when the assistant secretary handed him 10 new membership forms, complete with membership fees.

"Has anything of historical interest turned up?" inquired the chairman.

Voice from back of crowd: "Yes, about two tons of historical rocks on my nature strip." (Laughter.)

Cr. B. Jackson joined in by saying that "if this member would like to hang on to them for a few years we may be able to build a memorial fountain with them." (More laughter.)

However, seriously, he went on to say that it looks like the council would have to send in a gang of workmen soon with their vehicles to clean up the whole area.

This is what we like to hear.

During questions asked of Cr. Jackson it finally came up. "Lights at the Top End."

He said that there should be some activity soon regarding these lights as the Housing Commission thought they were installed and the S.E.C. had handed over the job to another authority who also thought they were

installed. However it looks like we are going to get them. When? I should imagine after 'someone' has been involved in an accident.

A question from Mr. W. Argyle regarding a pedestrian or children's crossing in Bladin St. brought a negative reply.

It was made apparent that after questioning the teachers of Armstrong St. school that they can only see the children off the premises and kids being kids were "just as likely to cross anywhere, even 10 ft. from a crossing." The fact that drivers are racing up and down Bladin St. has no bearing on this and they (the drivers) will soon be under close scrutiny by the police.

The vacant allotment at "Peter's Corner" was (some time ago) picked out by the Housing Commission for a service station but Cr. Jackson objected to this owing to the kids at the school racing down Whittaker St. to "Peter's" after lollies, were in danger of being knocked down by cars entering or leaving the premises. He suggested, possibly the corner of Bladin-st. and Barwise would be a better spot for such a business.

It is understood that the water pressure south of the border on Railway Ave. side was slightly 'under fire' due to the loss of pressure. To all intents and purposes they did a good job 43 yrs. ago when they were laid (I believe the pipes were second hand then) but for today's standards they were as much use as a bucket with a hole in it!

The secretary suggested we get in touch with Mr. Julian Doyle, M.L.A. asking him to either attend the next Progress meeting or at least concern himself with this matter.

Mr. Dillon left himself wide open for the job of contacting this worthy gentleman. (Half your luck, Tom).

A report by Cr. Gibson regarding the dog menace was startling. "The dog catcher nabbed 111 dogs in a few days".

Voice from back of room (same one I think) "Yeah, he missed 115 in our street". (Laughter again.)

The Publicity Officer once again asked if anything could

be done about removing a 35 m.p.h. sign off his nature strip as there was a light pole on it already and after clearing and grassing the strip he now found it hard to mow around all the obstacles. (There are more poles on his nature strip than in Warsaw). Cr. Gibson assured him that he would see if he could get it removed as soon as possible and re-located approx. 100 ft. North. (Although he said 100 miles north I must have been wrong.)

"Border Creek" was the next topic of discussion and once again Cr. Jackson had something to say. (He sure gets around.) "Some months ago we had to clear quite a big area at the 'top end' and we were flat out getting rid of the filling. Now we need filling to put into 'Border Creek' and we can't get it," he said. "Use some of the rocks off my nature strip." (That voice again! I really must sit at the back next time.)

East Riding voters in Werribee Shire are reminded once again that voting is compulsory. (East Riding includes Laverton) and there are 3071 people eligible to vote. Are you on the list? If not, why not? Voting Day is 24th Aug. Memorial Hall Laverton. Don't forget! Its next week.

Notices are going out to Kiora St. residents regarding the street being remade soon. I believe

at a cost of approx. \$9 per ft. (but residents don't quote me on this). However, you can rest assured that once again you'll be able to drive down there in comfort. Whilst we are on the subject of streets, I hear that the Shire Engineer is to purchase a "white line" machine and the first test may be a line straight down Bladin St. (I'd be able to find my way to the fish and chip shop in the fog then. Good, hey?)

Have to remind people at this stage that its the Annual Meeting of the Progress NEXT MONTH. Come along and pick your new representatives and officers. You too could be an officer! The meeting closed with 20 members present. (How did he sneak in?)

It is understood that two representatives of the Commonwealth Employment Service (Mr. Scott and associate) will be in attendance at the Memorial Hall Railway Ave., Laverton, on 23rd August, from 9.30 a.m. to 4.30 p.m. to assess the availability of labour in this area.

They will be concerned mainly with females, professional, clerical and unskilled workers (who are also willing to learn). On their assessment depends the possibility of manufacturers planning expansion building factories in the area, also the introduction of new industries, which could eventually absorb most of Laverton's working populace.

FALCON

**THE ONLY THING IT SHARES
WITH OTHER CARS IS THE ROAD!**

You've never seen a car like the Falcon 500.
You've never driven a car like the Falcon 500.

First, there are the lithe, lean lines inspired by the fabulous Mustang!

Inside there's the roomiest and most luxurious interior of any car in its price range, with insulating and sound deadening materials completely surrounding the passenger compartment for a ride as silent as they come. Plus a host of safety features including a fully padded dash windscreen washers and seat-belts.

Falcon 500's handling is remarkable because it's the first car to bring you the extra

stability of Wide Stance wheel design — a track that's far wider and a wheelbase that's far longer than have ever been engineered into a car near Falcon's price. Add to this more precise steering, extra-low-profile tyres, and chassis-type Torque-Box construction and you've a ride that's absolutely unbeatable.

As for power, the standard engine is now an even more responsive "Pursuit 170". Or you can choose between the 121 h.p. "Super Pursuit 200" or the big new 200 h.p. "Mustang 289" V8.

Discover the new look, the new luxury and the new power and performance of Mustang-bred Falcon 500 today!

STARS, SAINTS and SINNERS

By RON COLEMAN.

JEFF ST. JOHN TALKS TO THE "STAR"

One of the best groups of its kind in Australia
played to a not so big but highly appreciative audience
at the opening of "Wild Side" last Friday night.

It is fitting that this group should
appear on this page as their leader is a
SAINT—Jeff St. John.

Jeff is currently touring the discos in Melbourne
with his new Sydney group "The Yama," who were
formed from various groups after Jeff's big split
with "The Id."

The word "Yama" is Hindu
for "The First Mortals" and
this group incorporates some of
Australia's best music.
On guitar is Ross East, while
brother Virgil plays electric
bass which he once plucked for
Python Lee Jackson.
On sax is Allan English, who
jazzed in Sydney; drummer is
Peter Figures of the now defunct
"Throb" and the organist?
... just call him "Groove"
man.

Despite the line-up Jeff still
heads the bill in my books and
his singing last Friday really
knocked us out. The versatility
of his voice is incredible and
although the sound of his group
tends to be above the heads of
many teenagers the crowd at
St. Augustine's Hall just lapped it up.

Few people could mistake Jeff
as he is paralysed from the
waist down, wears his hair
shoulder-length and is never
without his sunglasses. Never-
theless, for a person with a
handicap as such you couldn't
find a person more friendly or
easy to talk to than Jeff who
just loves his audience.

JEFF LIKES: Music; DIS-
LIKES: Public Transport.

On drugs he says: "People
who take drugs in the hope that
they will put on a good perfor-
mance are cheating themselves."
The Beatles: "Incredible."

The Catcher: "Too big down-
stairs, but upstairs too much."
When I asked Jeff what he
thought of Hippies he replied:
"As little as possible."

Jeff said he couldn't really
define his sound but he was en-
deavouring to put more excite-
ment into it and thus create a
"tearing" sound that the audi-
ence could get involved in.
Jeff's version of the old "New-
beat" song "You Shalt Not
Steal" is just too much and I
wouldn't be surprised if he re-
cords it shortly.

So watch out for a quality
record song by a SAINT.

GOSSIP

Big Hippie dance at Youth Hall
on September. Follow-
ing that a Battle of the Big
Bands late in September.
One of the Four Bums exiled
to the North recently.
Baby is no longer an agent for
the Government. Will the
Speedway ever return?
"The Truth" played at Surferider
last week.

"Kult's" bass man Graham
Griffith escaped call up and is
still plucking away. Jeff
will never die says ex-leader guitar
of "The Kult". Regular
Saturday night disco at the Foot-
scary Football Ground.
Psychedelicates are certainly
nothing special. Sunday
night dance at Sunshine Heights
known as "Three Farthings".
James Taylor Move have
released a single.

Hippy Ball at The Tum on
August 31. Gerry has
left Pacemakers. The
funeral of "Runway-69" will be
held at the end of the Magazine
Pier at approximately 2300 hrs.
tomorrow night when cold soft
drinks will be on sale. Pall-
bearers are "Us Wot Motivate"
while the undertakers are Sals
and Weasel. Members of this
column will be admitted for
half price with their member-
ship cards. VLA dance
attracted quite a migration from
Laverton. Incidentally,
the "Go-Set" show visited the
RAAF Bases a Laverton and
Point Cook recently. Sunday
Sharpies are starting to come
in at Sydney.

Cheryl Gray too young for
night clubs. Mick Jag-
ger's favourite song is the Jimi
Hendrix number "Stone Free".
Lynne Randell for Paris
and Honolulu after her American
tour. British Group the
Pink Floyd will entertain at the
Olympic Games in Mexico next
year. Cat Stevens put
on his own musical show in 1968?

Vince and Lulu?
Apparently Melbourne's equiva-
lent of the Jimi Hendrix Experi-
ence and The Cream is a group
called the Daniel Jones En-
semble. Watch out for a
BIG BATTLE OF THE BANDS
in Altona soon. "Us Wot
Motivate" are giving their fan
club a complete overhaul.
Last week "The Kult" and "Us
Wot Motivate" both managed to
get a mention in "Go-Set," Aus-
tralia's national teen and 20's
newspaper. Whatever
happened to Crispian St. Peters?

POP POLL 1967

Ronnie Burns beat Normie
Rowe for the title of most popu-
lar pop singer in Australia when
a well-known teen and 20's news-
paper held a national poll re-
cently.

Results were—
INTERNATIONAL
MALE SINGER: Tom Jones;
GIRL SINGER: Petula Clarke;
GROUP: Beatles.

HIPPY DANCE

Watch out for a Hippie Dance
at the Altona Youth Hall soon.
This will be the first dance
of its kind in the Western
Suburbs and feature group, we
hope, will be The Iguana.
Admission will be refused to
any Hippies under the influence
of alcohol or LSD, etc. Other-
wise it does not matter how
many daffodils you bring.

Saint of the Week

Saint this week is Geoff Cre-
ser for the good job he is doing
in providing entertainment for
the youth of Altona.
Geoff may choose his first
record from Nev's Variety Bar
in Railway-st., Altona.
Nominations for Saints may
be sent to Stars, Saints and
Sinners, c/- "Altona Star," 11
Pier-st., Altona, 3018.

How old is Petula

How old is British singer
Petula Clarke?
The first correct entry to read
the "Star" will entitle the lucky
SSS member to a free double
pass to the Village Drive-
Theatre.

SLOT CAR HINTS

By Nev
TYRE CARE

When mounting tyres on
wheels be sure to get them on
as true as possible.
Do not stretch them on for
one side as this can create an
even rotation. Always check ty-
res across face for flat align-
ment.
Glueing tyres to the hubs with
a suitable bonding agent will
eliminate shifting during ac-
celeration.
Tyres will function better after
a break-in period, so it is best
to give your road a good run
before entering any competition
or race.

BATTLE OF THE BIG BANDS

This page is now nearly a year
old and to celebrate its birth-
day we hope to hold a dance
combined with a Battle of the
Bands late in September.
It is hoped that the Kult, Lost
Legends, Devil's Disciples, Us
Wot Motivate and Eternals will
all be able to participate. The
winning group will receive
prize money equivalent to a
night's booking-fee.

Don't delay—Fill in and send your enrolment form
(below) to the "Star" Office, 101 Pier-st., Altona.

LIFE SAVING CLUB ELECTIONS

A special general meeting of the Altona Life Saving Club was held in the clubhouse on Tuesday, August 15, with Mr. R. Hazeldine presiding.

Main business was the election of the executive committee for season 1967-68. The new committee will be installed at the annual general meeting on Tuesday, September 19.

The car trial on Sunday proved a great success, despite the inclement weather and has encouraged the social committee to stage another later in the year.

The route covered the Werribee-Little River area and finished at the You Yangs where lunch was taken.

An after lunch game of football produced some surprising talent, two of the stars being Bob Mellett and Trev Jobling, who sustained minor injuries. They are receiving intensive treatment to get fit for the next battle.

Winners of the trial were Mr. and Mrs. F. Kershbaumer, who received a very good car first-aid kit.

Second prize of a \$4 order on Big Star Self-Service was won by Mr. and Mrs. R. Lucas. Mr. G. Kip won the special

SURPRISE VISIT BY SON IN ARMY

An unexpected surprise for Mr. and Mrs. C. Thompson, of Blushaws-rd., Altona North, was when their son, Kevin, arrived home on one week's leave from New Guinea.

Kevin, a member of the National Service, has been in New Guinea for the past four months.

Always a keen footballer, he was a star player in the West Newport team and is continuing to play in an army team playing against the natives.

He did not say whether they played in boots or not.

effort for a bottle of champagne, donated by you know who.

FILM NIGHT

A very good film will be shown on Friday night, commencing at 8 p.m. Refreshments will be available.

TABLE TENNIS

Altona A Team reached the final of the Melbourne and Suburban Beaches Table Tennis Association competition, but were overwhelmed by South Melbourne A in the final. However, it was a good performance to reach the final and the members are hoping to do better next season.

SHIRE OF ALTONA

Annual Election of Three Councillors. — NOTICE is hereby given that the following candidates have been duly nominated for the Office of Councillors: Patrick Aloysius BURNS, Walter George CRESSER, Mary Emma EVANS, Douglas Keith GRANT, Patrick Joseph LYNCH, Aurel MARINESCU. As the number of candidates exceeds the number of councillors to be elected a poll will be taken for the election of three councillors on Saturday, August 26, 1967, at the polling places situated at:
1. Brooklyn West Primary School, Blackshaws-rd., Altona North.
2. Primary School, Marion-st., Altona East.
3. Primary School, Millers-rd., Seaholme.
4. Primary School, Blyth-st., Altona.
5. Altona North Technical School, Millers-rd., Altona North.
6. Kindergarten, 4 Somers-pde., Altona West.
7. Primary School, Belmar-rd., Altona West.
Commencing at 8 o'clock in the forenoon and closing at 8 o'clock in the afternoon. Voting at this election is compulsory. Postal voting provisions apply, i.e., application may be made on an appropriate application form should the applicant be unable to vote according to reasons listed on the form, to the Returning Officer, for issue of Postal Vote forms which must be marked and returned before the close of the Poll.

JAMES W. WATERS,
Returning Officer.

WORK WANTED

ORDERS taken children's knitting. 41 Rose-st., Altona.

RUBBISH REMOVED, back yards cleaned up, 398-1694.
LAWNS laid and cut, long grass slashed, blocks cleared, rubbish removed, back yards cleaned. 391-2719.

SPEAKING FOR

ALTONA CAR
SALES

STAN MCINTOSH
SAYS . . .

Dear Readers,

This week within our municipality we are holding Education Week, or should I have said celebrating Education Week and rightly proud we should be as we are the only municipality within the State to conduct Education Week on such a scale.

The following week commences the school holidays when children want to be taken away for the week or the weekend and with so many cars on our roads today, one thinks twice about it if you are in the least way doubtful of the performance of your vehicle.

We stated in our previous issue now is the time to buy a car, one which you would be proud to own, a safe, reliable road-worthy car, at rock bottom prices, then you could take your family away for that well-earned rest and feel confident in whatever traffic or whatever position you may find yourself in, that you can rely on a car purchased at ALTONA CAR SALES.

All our cars are sold under a real honest to goodness warranty with repayments to suit your pocket. This is a must with the company, we help you and try to advise you in every aspect as we believe a happy contented customer brings another. This is why our business is progressing the way it is.

Perhaps it can be said that some of the big car yards have more customers than we have, but what we can say, without fear of contradiction is that they don't have more friends as every purchaser buying a car from us, ALTONA CAR SALES, becomes a friend and remains so.

So if you are thinking of buying a car then contact us, Altona Car Sales, your local dealer, where you can choose from over 300 cars in stock and be sure of a fair, honest and reliable deal.

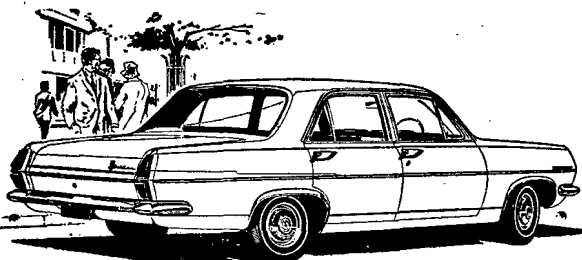

Yours sincerely,

STAN MCINTOSH.
